

Goods train basking in the sunshine

Gauge 1 Railway

Britannia model in the evening sunshine

**NSMEE** are located on the site of the Great Central Railway (GCRN) next to Rushcliffe Country Park & Business Park. **Once on site follow signs for our Miniature Railway.**

**To reach the GCRN**

**BY CAR:** Follow signs to the Centre which lies south of the village of Ruddington just off the A60, 5 miles south of Nottingham city centre and 9 miles to the north of Loughborough. Car Parking is available on site. Satnav:NG11 6JS

**BY PUBLIC TRANSPORT:**

Buses serve both Ruddington Village and the Country & Business Parks from Nottingham City Centre. Trent Barton operate the "Ruddington Connection" offering services from the City to Ruddington Fields - just outside our main Ruddington Site. On Sundays, the "Ruddington Connection" serves "The Green" in Ruddington village. Our Club can be reached from "The Green" on foot by proceeding along Asher Lane, turning left into Ruddington Country Park and following the path across the railway footbridge and through the carpark to our entrance. Walking time approx 10-15 minutes.

### Membership Information.

New Members are welcome and we extend a warm greeting to anyone and their family with an interest in the hobby. Membership forms are available on site. Please enquire in the first instance to the Ticket office or the Club Secretary at:-

### Monthly Club Meetings

Monthly Members evening meetings are held on the 3<sup>rd</sup> Tuesday throughout the year. A talk is given by a guest or member speaker on a wide range of engineering, railway, horology and other topics. The December meeting is a general interest talk and Christmas get together.

### Members Workshop

A comprehensively equipped Workshop is also provided that offers tools and facilities not usually available in the home workshop. Society and individual project work is undertaken.

Visitors with their own locos wishing to join us please contact track superintendent Pete Towle - email [ptowlesteam@googlemail.com](mailto:ptowlesteam@googlemail.com) or telephone 01159 879865.
